

Laugh + Learn

It's not just stuff...it's MY stuff!

with Karen Shinn, Downsizing Diva Extraordinaire!

Join us on June 10 for a thought-provoking Downsizing Diva Laugh + Learn and find out how one person's trash really is another person's treasure. You will be surprised at the Diva's collection of favourite things – some of them funny, some of them odd – but, all of them found in someone else's house.

★ LEARN ALL ABOUT...

- Other people's stuff, which is always more interesting than your own!
- The best time to start downsizing, HINT: NOW!
- True Confessions... the Diva way!
- How simplifying your home simplifies your life.
- Where you can get rid of your surplus stuff!

This presentation focuses on downsizing, or as the Divas like to call it... the lighten-up part!
