

Taking care of a loved one with dementia is not always easy. If you want to share your challenge, experience or learn from others, this mutual support group would help.

Caregiver Support Group – For People taking care of Individual with Dementia Disease

Time: 3 pm – 5 pm
2nd Tue of each month

Venue: St. Paul Centre Seminar Room C

If necessary, PSW could be provided to take care of the individual who is brought along during the group session

Language: English
